

# THREE STEAMSHIPS MEET DISASTER

## Would Separate Hospital and Infirmary

### GRAND JURY PRESENTS REPORT

Removal of Institution From Politics Is Urged  
Location of Hospital in East Oakland Recommended

Recommending that the county infirmary and hospital be made two separate institutions and that it be taken out of politics and placed under proper civil service rules, the grand jury today returned a special report regarding its recent investigations before Superior Judge W. H. Donahue.

Characterizing the management of the institution as "unsatisfactory" and attacking the methods employed in the purchase of supplies on the contract system, the report goes into exact detail of the situation and points out remedies for supervision of the various branches of the service.

That the county has been "grossly imposed upon" in its methods of relief for the indigent to the extent that \$40,000 per year is paid out for relief outside of that afforded through the institution is one of the criticisms directed at the general supervision. It is suggested that the "supervisors keep their hands off except to discharge the superintendent if they deem him incompetent or unfit for his position and to devote more attention to the welfare of the inmates and not to juggling the position for political ends."

**HOSPITAL IN CITY.**  
It is further suggested that the infirmary have a hospital of its own separate from the main hospital, to be used for those needing only medical aid. The infirmary should be located where the institution now stands and the general hospital within the city, preferably East Oakland, the jurors recommend.

Leading medical authorities from all parts of the country have been interviewed by the jury in preparing their report, with the result that consolidated hospital and infirmary is an "outlandish" proposition for the taxpayers to uphold.

Recommendation is made that the Alameda county legislative delegation prepare a state law making possible in this and in all counties a board of charities and correction, patterned after the commission now in force in Indiana, which, it points out, "has stood the test for fifteen years."

Foreman John A. Beckwith presented the special report. District Attorney Hynes assisted the grand jury in its investigations and in an advisory way. Foreman Beckwith

### ESTATE IS REMNANT

Once Included Half of Alameda; Probate Asked After Thirty Years.

After waiting thirty years Mrs. Fannie J. Chipman of 1270 Webster street, Alameda, today took out letters of administration in the estate of her grandmother, Elizabeth C. Chipman, mother of the late W. W. Chipman, who, with Gideon Aughinbaugh in the early days, purchased the entire island upon which Alameda now stands from A. M. Peralta for \$14,000. W. W. Chipman died some time before his mother, leaving her a portion of his estate, which during the years of her widowhood was managed by her son, Gideon Aughinbaugh. Much of the property was sold by him and his one-half of the original purchase at the time of his death included but small holdings in real estate. Since his death his estate has been under controversy and his daughter, Fannie J. Chipman, had never applied for probate.

Attorney E. K. Taylor, representing Mrs. Chipman, appeared before Superior Judge Wells today and she was appointed administratrix. It was stated that the estate is valued at \$100,000.

Representing a married and widowed heirs besides the administratrix are Harriet A. Chipman, a granddaughter of Elizabeth C. Chipman; William F. Chipman, a grandson; and Lillian W. C. Chipman, a great-granddaughter.

## Perfect Girl Makes Perfect Furore

Miss Edwards quickly rallied to a defense of work and scorned her critics.

### AWARD CONTRACTS

Raymond Company to Do the City Auditorium Granite Work.

Acting on the recommendation of the municipal auditorium advisory commission, of which James Garland is president, the city council today awarded contracts for the granite work of the auditorium north facade and for the terra cotta work of the niches that will pierce the facade as their uniform form of decoration. The council also advertised for nine bids for contracts for mill work, carpentry, roofing and other work to complete the structure.

Contract for the granite work was let to the California Granite Company for \$71,887. The other bidder was the Raymond Granite Company, whose proposal was \$75,500.

Contract for the terra cotta was let to N. Clark & Sons for \$23,900. Gladding, McBean & Co., the other bidder, offered to do the work for \$24,750.

The city council will receive bids July 14 for the following auditorium contracts: Heating and ventilating, carpentry and millwork, composition roofing, sheet metal and skylights, glass and glazing, dampproofing, automatic fire extinguishing system, architectural metal and plumbing and gas fitting.

The specifications for these were approved at a conference of the members of the auditorium advisory commission with Commissioner of Public Works.

### Famous Handicap Won By California Horse

**AQUEDUCT RACETRACK, June 22.**—Buckthorn, owned by R. J. Mackenzie, won the Brooklyn handicap today. Buckthorn was second and Rockville third. Time for the mile and a quarter, 2:03.

"Red" Mackenzie, whose horse was the winner of the classic Brooklyn handicap, is the millionaire horse owner whose interest in California harness affairs has been the talk of the city.

Mackenzie winters all his horses at his property and has spent both time and money in improving the track.

Excitement was kept high for Mackenzie's win today, against the formidable Belmont stable.

### FILE VAGUE REPORT

Judge Spear Investigators Recommend Neither Acquittal or Impeachment.

**WASHINGTON, June 23.**—"The subcommittee regrets its inability to recommend either a complete acquittal of Judge Spear or of culpability so far as these charges are concerned, or an impeachment."

This was the conclusion submitted to the House Judiciary committee today by the special subcommittee that for months has been investigating charges of official misconduct filed against Emory Spear of Macon, Federal judge for the southern district of Georgia.

The report, after an exhaustive resume of evidence with severe comments held that some of Judge Spear's official acts "tend to approach a condition of tyranny and oppression," but recommended that no further proceedings be had by the House.

These conclusions now rest with the full committee on judiciary, which is expected to report them to the House for final disposition before adjournment of the session. The subcommittee comprised Representative Webb, North Carolina; Fitzhugh, Illinois; Democrats; and Volstead, Minnesota.

**VOLSTEAD ATTACKS MAJORITY.**  
Mr. Volstead in a minority report, similarly declaring that there was no evidence warranting impeachment, attacked the majority of the subcommittee for criticizing a judge declared not guilty.

Nineteen charges were filed. They alleged, among other things, that Judge Spear entertained matters beyond his court's jurisdiction, allowed excessive trustee fees to a personal friend, used his official position for his authority by domestic use of government paid court employees, violated the law by allowing the use of judicial funds for the payment of his personal expenses and disapproved bankrupt estates.

### Avoids One Train to Be Killed by Other

Stepping backward from the tracks to avoid a southbound train on the Southern Pacific right of way at B Street, in the Watts tract, Peter Back, a section hand employed by the Southern Pacific, was killed today by an electric train from the opposite direction. Back was 25 years of age and a native of Italy. It is not known that he had relatives living in California. The request will be held at the local morgue tomorrow.

### Her Undraped Limbs in Smoke Dance Wake Women's Ire

"I regard my body akin to my soul, and to use it to give expression to an idea I hold is worthy. I am only sorry for the woman—for I believe a woman started this crusade—who could find objections to it."

"I happen to have arms, legs, feet and hands; if such possessions be indecent, why have dances at all? If this be so all attempts at plastic representation are indecent."

"It seems to me far more in-

jurious for people to address their evil thoughts than for others to undress their beautiful bodies."—Margaret Edwards, "The Perfect Girl," whose dance started a policeman's crusade in Los Angeles.

While Los Angeles and Berkeley are agog with this newest and choicest bit of gossip, and the Los Angeles policeman has temporarily retired from the field, beaten back by a flood of argument from Miss Edwards and Othman Stevens, dramatic critic, Margaret Edwards, "The Perfect Girl," Berkeley celebrity, is still tripping her "Lady Nicotine Dance." Following a fight that created one of the biggest sensations Los Angeles has seen in some time, "The Perfect Girl" has temporarily won, but the policeman says she's going to start the fight again. It's all because of that dance. News of the fray reached Miss Edwards' relatives today.

The Berkeley girl, starting in "The Tale of Ben Jonson," went to Los Angeles last week. The first night of the dance Mrs. Gilbert, policeman, saw it and hastened forth to bring others to witness the scene. They decided that it must not be. Mrs. Gilbert proceeded to censor.

**CRITIC AS ROLAND.**  
Then came Othman Stevens to the rescue.

He declared that the dance was beautiful, and that the "perilous" undressed thoughts of an ultra-feminist.

He also spoke of the "scorlating" minds of militaristic suffragettes.

"Winding up, and referring to the day by the special subcommittee that for months has been investigating charges of official misconduct filed against Emory Spear of Macon, Federal judge for the southern district of Georgia."

The report, after an exhaustive resume of evidence with severe comments held that some of Judge Spear's official acts "tend to approach a condition of tyranny and oppression," but recommended that no further proceedings be had by the House.

These conclusions now rest with the full committee on judiciary, which is expected to report them to the House for final disposition before adjournment of the session. The subcommittee comprised Representative Webb, North Carolina; Fitzhugh, Illinois; Democrats; and Volstead, Minnesota.

## STANTON IN FIGHT FOR LIBERTY

Parole Violating Convict Secures Habeas Corpus  
Attacks Jurisdiction of Board in Taking Away Credits

**SAN FRANCISCO, June 23.**—W. J. Stanton, who was sentenced to San Quentin penitentiary for twenty-five years, being incarcerated February 5, 1905, and who for three years has been battling for his freedom, this morning took his case to the Supreme court of California and procured a writ of habeas corpus, made returnable next Monday morning.

The jurisdiction of the board of prison directors is called in question and their decision requiring Stanton to serve until 1921 is attacked in the petition which was filed by Attorney Arthur L. Shannon.

Ever since May 5, 1911, when with the customary credits to his account, Stanton would have been released, he has been doing his best to obtain his liberty. Superior Judge Zook of San Rafael decided against him, holding that the board of prison directors were right in denying him his credits for a violation of his parole.

**HARD LUCK STORY.**  
Stanton tells a hard luck story in connection with his predicament. He was released on parole November 13, 1903, at which time he had completed half of his sentence.

He was at liberty less than two years when he was found drinking in a saloon. This was held to constitute a violation of his parole and September 28, 1905, he was returned back to the penitentiary. One month later, October 28, the board of prison directors ordered the forfeiture of all of his credits, including those he had already earned and those which he might be entitled to earn in the future had he never been paroled. When the day of his release came he was not liberated and from that time on has been fighting for freedom.

His counsel is setting up the claim that section 1558 of the penal code prescribed that with credits a twenty-five-year term shall be reduced to fifteen years and three months.

**CANNOT FORFEIT CREDITS.**  
Infraction of the rules causing the losing of credits does not include violation of parole, and Attorney Shannon alleges that Stanton cannot be deprived of his credits because of his lapse while at liberty. The writ of habeas corpus is directed against Warden Johnston and asks that the latter be ordered to liberate the prisoner at once.

The fate of more than 100 parole violators is said to hang upon the result of the decision. The rule of the prison board which prevented credits from applying for parole until they had been in the penitentiary half their term was recently set aside in the Supreme Court in the Roberts case. This is the second time that an action against the directors has been brought this year.

## Resolute Leads in Trial for Defender

**RYE, N. Y., June 23.**—The three cup candidates, Vanitie, Resolute and Defiance, started shortly after 1 o'clock today in another preliminary struggle to determine to which is to be entrusted the honor of defending the American cup.

The act was written by D. Knabbe, grand vaillant commander of the grand lodge of the Knights of the Royal Arch.

Signatures to place the amendment on the ballot will be secured through organized efforts of the Royal Arch chapters.

**Score Hurt, One Dead When Subway Caves In**  
**NEW YORK, June 23.**—Nearly half a block of sidewalk and supporting structure over a new Brooklyn subway caved in today, burying more than twenty workmen, killing one and badly injuring six.

## POLICE RAID DEN AND TAKE MOVIES OF BUSY GAMBLERS

**SAN DIEGO, June 23.**—Moving pictures of thirty-six Chinese playing fan-tan and lottery in a gambling house in Chinatown were taken last night during a raid on the house conducted by Detective Joe Lopez. The attempt of the Chinese to rush the police officers from their feet, the heavy barricaded doors and the complete gambling outfit found in the joint, were photographed and the film shown in court as conclusive evidence against the Celestials.

## LE GAI AT CLASS—MEN TOO

University of California Dancer Starts Instruction Today

**UNIVERSITY OF CALIFORNIA, June 23.**—Mlle. Louise La Gal, premiere danseuse of the Grand Opera, Paris, conducted her first class this morning in the summer session at California hall—and there were men in attendance! But it was not the demonstration class to which Professor Charles Daniel and others have sought admission in vain. The women students attending were properly and modestly attired and the "bloomers, short, gathered above the knee," which have been prescribed for the dancing classes were not in evidence.

For Mlle. La Gal adhered strictly to her determination that men should not be admitted to her dancing classes. She will teach the basic technical discourses of the dance, but she has no time to spare them in the interpretative classes.

In her opening lecture this morning the sprightly dancer gave a synopsis of the history and development of the dance. These she found to be not only beautiful, but of physical and moral value as well.

The course in folk and national dances is to be given Mondays, Wednesdays and Fridays, at 11 a. m. in the Harmon gymnasium and is intended to train teachers. Such folk and national dances of all nations will be taught as Mlle. La Gal regards as suitable from the physiological, social and moral standard, and as proper for schools, kindergartens, conventions and festivals.

**BALLET TECHNIQUE.**  
Advanced balletic dancing will be taught by Mlle. La Gal, Mondays, Wednesdays and Fridays at 11 a. m. In this course she plans to "unfold the complete ballet technique, with pantomime, the mimetic ballet, Greek, interpretative and ballet dances."

The development of the American drama dance—something which Mlle. La Gal declares never to have been taught in America—will be the object of the advanced course in general dancing, composition and practice. This new departure in dance teaching contemplates that students of sufficient aptitude and ability shall be taught to originate, arrange and compose their own dances in accordance with the dance technique.

## Liquor Dealers File Initiative Petition

**SACRAMENTO, June 23.**—A copy of an initiative petition being circulated throughout the state which would prevent the holding of an election on any liquor question before eight years after the November election was received today by stationer James Crenin of Secretary of State Jordan's office. The act, if passed, will also make wet territory of all those political subdivisions of the state now dry which cast a majority of their votes against the state-wide prohibition amendment; vice versa, in ones a wet territory votes in favor of prohibition.

The act was written by D. Knabbe, grand vaillant commander of the grand lodge of the Knights of the Royal Arch.

Signatures to place the amendment on the ballot will be secured through organized efforts of the Royal Arch chapters.

## Score Hurt, One Dead When Subway Caves In

**NEW YORK, June 23.**—Nearly half a block of sidewalk and supporting structure over a new Brooklyn subway caved in today, burying more than twenty workmen, killing one and badly injuring six.

## ONE HUNDRED OTHERS IN COLLISION

Vessels Crash Together During Cuxhaven Regatta

Passengers Are Thrown From Deck of One Ship to Another

**HAMBURG, June 23.**—The North German Lloyd steamer, Koenigin Luise, and the German passenger steamer, Cobria, were in collision today.

The stem of the Koenigin Luise was stove in and her fore peak was leaking.

The Cobria, which is a small steamer of 412 tons belonging to the Hamburg-American line was badly damaged amidship.

The collision occurred during the regatta at Cuxhaven.

Both vessels had on board a large number of persons and a catastrophe was narrowly averted. The shock of the collision was so severe that several of the passengers on the Cobria were thrown to the deck of the Koenigin Luise.

**STEAMER GOES ASHORE.**  
**LANDS END, England, June 23.**—The Belgian steamer, Gothland, from Montreal for Rotterdam, went ashore today on the rocks two miles to the northeast of the Bishop Rock, Sicily islands.

The Gothland struck during a dense fog. Life boats from St. Agnes and St. Marys in the Sicily islands have gone to the scene of the wreck.

**LONDON, June 23.**—The Gothland later was refloated, according to a dispatch received this morning by a London newspaper agency.

## OPPOSE INCREASE

Heirs Split on Mere \$300 More Per Month to Widow of J. P. Whitney.

**SAN FRANCISCO, June 23.**—The mere matter of \$300 monthly is liable to cause a split among the heirs of the late millionaire, Joel Parker Whitney, as the result of a showing made this morning in Superior Judge Coffey's court. The proceedings were more or less ruffled by the side remarks of counsel, although his honor did not appear to notice them.

Mrs. Whitney, the widow, testifies an increase from \$1,200 to \$1,500 a month in her family allowance. Vincent Whitney, one of the sons, opposes the increase.

It was brought out that for a year and a half the executors, composed of Vincent Whitney, Parker Whitney and John Landers, had made no report. In order that the books might be brought a continuance was had until 2 o'clock.

In one of the aside remarks a member of the counsel announced that he would file the account when he got good and ready and there is liable to be a battle of legal wit in consequence. It is said that Parker Whitney and his sister are adding with their mother and that Vincent Whitney and John Landers, two of the executors, are taking the other side of the controversy.

## Earthquake Felt in Alameda

**ALAMEDA, June 23.**—An earthquake that lasted 30 seconds, accompanied by a rumbling that sounded like thunder, occurred here yesterday at 30 minutes of 6.

## EXPECT 5000 TO VISIT CONVENTION

Christian Endeavor Society Is  
Completing Arrangements  
for Big Gathering.

Arrangements are fast shaping themselves toward completion for the big state convention of the Young People's Society of Christian Endeavor, which will meet in the Piedmont pavilion from July 8 to 12. The executive committee is preparing for the reception and entertainment of some 5000 visitors, and the convention promises to be the most enthusiastic and biggest ever held in California.

The speakers have been chosen, and include Dr. J. W. Conley of Fresno, Dr. R. C. M. Brooks of Berkeley, Bishop Bell of the United Presbyterian church, Dr. Hugh K. Walker of Long Beach and Dr. Royal J. Dye, formerly of Bologna, Africa. The latter will be the chief speaker. He has spent the past fifteen years as medical missionary in the Congo district of Africa.

The day's program will consist of a sunrise prayer meeting, morning Bible study classes; junior, intermediate, temperance and missionary sessions, general and routine business and election of officers and year committees. On Sunday, July 12, a memorial service will be held for the late Thomas Hanney, the noted evangelist.

A huge chorus choir, composed of the best talent in the Oakland churches, which has been organized under the direction of Professor Alexander Stewart, has been rehearsing for the past two months in preparation for this convention. The big choir will number over 500 voices and of this number, fully 100 voices are expected to come from San Francisco. The soloists will be Mrs. Zilpha Ruggles Jenkins, Mrs. Carl Anderson, Carl Anderson and Lowell Redfield; Mrs. Mabel Redfield will act as pianist and there will be an orchestra of fifty pieces. On Tuesday night, July 7, the evening preceding the opening of the convention, this huge choir will present the entire Oratorio "The Messiah" in the Piedmont rink, the only available auditorium on this side large enough to accommodate the chorus and the audience. Director Stewart states that the entire musical colony of the east bay section is evincing much interest in the production and the choir is the largest chorus ever assembled in Oakland.

Among the prominent state officers who will be in attendance at the convention are the state president, W. P. Willmott; state secretary, Herbert P. Rankin; state field secretary, Paul C. Brown; state junior field secretary Miss Mabel Cautler.

The chairman of the various sub-committees of the executive committee are: R. N. Jenkins, R. H. Martin, E. J. Small, Miss Arlida Nielsen, secretary; the committee: Reese Martin, Fred Hoffman, Harlow R. Church, William C. Toole, H. H. Gribben, J. A. Ward, Roy C. Brown and George Higby.

## BURGLARS BREAK IN; FIND CASH BOX EMPTY

Burglars broke into the offices of the Haines Auto Company, Twenty-seventh and Broadway, during the night and ransacked the place. The cash register was broken open, but contained no money, and the robbers obtained nothing of value.

E. H. Hart, 799 Castro street, reported to the police that his motorcycle, valued at \$200, was stolen during the night from Thirtieth and Broadway.

## RESORT HOTEL BURNS; GUESTS LOSE ATTIRE

SANTA ROSA, June 23.—The Park Hotel, a summer resort at Monte Rio, was burned to the ground yesterday and a number of persons staying there lost their belongings. The damage was estimated at \$10,000.

## A REAL DUTY

of every person to try and maintain the highest possible standard of health. This plan can be helped along wonderfully by the use of

## HOSTETTER'S STOMACH BITTERS

It tones, strengthens, invigorates the digestive organs, the liver and bowels and thus promotes good health.

## VALLEJO NEWS

### LIQUOR LICENSES ARE HELD UP

Five Applications for Liquor Permits Turned Down at Vallejo.

VALLEJO, June 23.—Five applications for liquor licenses held up in order that charges might be filed against the persons conducting the saloons affected and one application laid over for investigation was the motion taken yesterday morning at the city council when licenses were granted for the coming quarter.

After holding out licenses requested by Commissioner Blake, the council granted the rest of the licenses for which applications had been filed.

### PIONEER COLLINS OF VALLEJO PASSES AWAY

VALLEJO, June 23.—The passing of another pioneer resident was recorded Sunday when Charles Peter Collins died at his residence in this city. Deceased had been in failing health for some time and the end was not entirely unexpected. Deceased was a native of New York and was 70 years of age at the time of his death. Besides his wife, Mrs. Elizabeth Collins, he is survived by the following: Mrs. Harry Ashley, Loretta and Frances Collins of Vallejo.

### ELECT OFFICERS

VALLEJO, June 23.—At the well attended meeting of the S. C. D. H. S. Sunday, Manuel Azevedo was elected president of the organization. The other officers are as follows: G. S. Melo, vice-president; A. Lema, secretary; J. Rodgers, treasurer; M. Almeida, master of ceremonies; J. F. Soares, marshal; F. B. Azevedo, inside guard; F. Freitas, M. Borges and F. Rodgers, trustees; M. Silveira and J. Betencourt, directors.

### ASSISTANT ENGINEER WEDS

VALLEJO, June 23.—Stanley Thibaut, assistant engineer at the Kure Island power plant, and Miss M. Cook of Petaluma were married at the home of the bride in the Sonoma county town Sunday afternoon. Following a honeymoon trip which will be spent in the south, Mr. and Mrs. Thibaut will make their home here.

### DIES IN HOSPITAL

VALLEJO, June 23.—James Coakley, a well known young man of this city, passed away in the Southern Pacific Railroad Company's hospital at San Francisco Sunday from a severe attack of pneumonia which he had contracted last week.

### MARE ISLAND NOTES

MARE ISLAND, June 23.—The cruiser Buffalo will leave St. Paul, Alaska, on Wednesday for St. George and after the Mare Island experts on board make some slight repairs to the naval wireless plant, the vessel will proceed to Kodiak remaining there until July 1.

The submarine Yorktown, sailed from San Diego Sunday afternoon for Mare Island and is due to arrive here tomorrow afternoon. The orders are for repairs on the Yorktown to be rushed as she must return to Mexico early next month.

The monitor Cheyenne and her flotilla of H-divers arrived at Mare Island yesterday and will remain here until the 29th. While at the yard the Cheyenne will transfer some stores to the mother ship Alert of the P-submarines. The Cheyenne is under orders to proceed north before the month is over and is due to arrive at Seattle before the Fourth of July. After the holiday the boats will proceed to Bremerton for repairs.

Although the repairs on the navy collier Nanshan will be completed about the middle of next month, it is stated at the navy yard on good authority that the fuel carrier will not be placed in commission until the first of August. The collier is being thoroughly overhauled and new boilers will be installed this month. The collier Naro is on her way up the coast from Mexico waters bound for California City where she will fill her bunkers and return to Mazatlan. The Naro is due to arrive at California City on Friday.

The repairs on the Yerba Buena tug Vigilant will be finished by the 27th inst. and she will leave on Sunday for the lower bay station.

**ENGLAND TO CONTROL FOREIGN DEMONSTRATIONS**  
LONDON, June 23.—American corporations whose stocks are sold in Great Britain must comply with British laws in making public reports of their business or be outlawed from the protection of the courts, under the terms of a bill which Major Archer-Shee has introduced in the House of Commons.

While this bill is entitled "foreign companies control," it is aimed particularly at other things, to give British shareholders in American corporations a larger share of control in them and to compel them to give more information concerning their business to their British investors.

**POSTMASTERS IN ANNUAL SESSION**  
Fourth Class Officials Petition to Be Placed on Salary Basis.

SAN JOSE, Cal., June 23.—With delegates present from all parts of the State the California State League of Postmasters of the fourth class yesterday opened their three days' annual convention here in the Chamber of Commerce convention hall, C. F. Keeler of Kaweah, Tulare county, president of the league, presided. A resolution was forwarded to Postmaster-General Burdette petitioning that he recommend to Congress the abolition of the present system of compensation for postmasters of the fourth class and that a law be passed placing them on a salary basis, the salaries to be graduated in proportion to services performed. Also that fourth class officers be given an allowance for rent, light and fuel.

**TODAY IN CONGRESS**  
WASHINGTON, June 23.—Senate: Met at noon. Interstate Commerce Committee's radio commission bill was introduced a substitute for the house measure. Banking committee continued consideration of President Wilson's nomination to the Federal reserve board. Foreign Relations Committee continued consideration of the Nicaraguan treaty. HOUSE.  
Met at 11 a. m.  
Report of the investigators in the Spear impeachment case was presented to the judiciary committee.  
Conference reports on the naval bill and the agricultural bill were up for disposal.  
Sundry civil bill was debated.  
Don't Lose Sleep Coughing at Night. Take Foley's Honey and Tar Compound. The very first dose surprises you. It glides down your throat and spreads a healing, soothing coating over the inflamed and tickling surface. That's the immediate relief. It loosens up the tightness in your chest, stops stuffy, wheezy breathing, eases distressing, packing, strained bronchial tubes and air passages. Children love it. It is mildly laxative—as a cough medicine should be, and does not upset or distress the most sensitive stomach. Refuse any substitute. Get Foley's at once. Sold everywhere.

**SHERIFF'S OFFICE WORK INCREASES**  
Report Issued Shows Duties More Than Doubled in the Past Nine Years.

According to a report issued today by Sheriff Frank Barnett, the work in his office has more than doubled since he assumed charge in 1905. In that year, from March 1 to December 31, 350 summons, executions, attachments and miscellaneous writs were served by his office. In 1913, there were 1463, and from January 1 to June 17 of this year there were 573. These do not include writs of habeas corpus, criminal subpoenas issued in Alameda county, or foreign subpoenas. These have increased in proportion to the other work. In spite of this great increase in the duties of the office there has been no addition to the number of deputies.

The number of prisoners confined in the county jail in 1905 was 395 and in 1913, 778, an increase of 278. In 1905 four superior courts were running and in 1913, seven courts and sometimes eight and nine. A bailiff has to be furnished by the sheriff for each court.

**FLAGMAN LOOKS WRONG WAY; MAN HITS TRAIN**  
M. D. Burris, a painter living at 5542 East Fifteenth street, narrowly escaped death last night when he crashed into the second car of a K. R. Route train while riding a motorcycle. The accident occurred at Twenty-second and San Francisco streets.

Burris sprained ankle and severe bruises. He was treated at the Emergency hospital by Dr. C. E. Smith. His motorcycle was dragged a block under the wheels of the train wrecked. Burris said that he was misled by the flagman, who faced the opposite direction from which the train was coming.

**INJURED WHEN AUTO OVERTURNS.**  
When an automobile which he was driving along the Foothill boulevard this morning skidded and overturned, Ray Weaver street, was thrown out and escaped with but slight injuries consisting of a bruised right arm and leg. The scalp which was treated at the Emergency hospital by Steward Perkins. A fat rat tire caused the accident.

**CHINESE ROBBED BY OWN COUNTRYMAN**  
SAN FRANCISCO, June 23.—Lured to an alley in Chinatown by a mysterious telephone message received by him shortly after 4 o'clock this morning, Bing Sen, a merchant of the Oriental quarter, was robbed by two countrymen. Bing resides at 47 Stoddard street. He was awakened by the ringing of his phone bell and was told that a friend wanted to see him immediately in a narrow nameless street near the corner of Clay and Stockton streets.

"It is a case of life and death," said a voice over the wire. Bing responded, and as he entered the passage he was stopped by two masked Chinese wearing straw hats, who relieved him of \$175 and a silver watch. They had evidently expected more loot and expressed their disgust with much disparagement of the booty obtained.

Three large deposits claimed as part of the money were planned to be formally demanded today from the receiver of the and as he entered the passage he was stopped by two masked Chinese wearing straw hats, who relieved him of \$175 and a silver watch. They had evidently expected more loot and expressed their disgust with much disparagement of the booty obtained.

**LORIMER SUSPENSION INVESTIGATION HALTED**  
CHICAGO, June 23.—Plans of State Attorney Mackay Hoyne for the investigation of the suspension of the La Belle Street Trust and Savings bank and others of the Lorimer-Mundy string of state banks, were brought to a halt, at least temporarily today by the refusal of James Brady, state auditor to turnover to Hoyne a copy of the report of Bank Examiner Daniel V. Hawkins. Hoyne declared that the report was a public record and that he could enforce its production.

Three large deposits claimed as part of the money were planned to be formally demanded today from the receiver of the and as he entered the passage he was stopped by two masked Chinese wearing straw hats, who relieved him of \$175 and a silver watch. They had evidently expected more loot and expressed their disgust with much disparagement of the booty obtained.

**The Nervous System**  
will break down from the intensive use of tea and coffee, both of which contain caffeine, which, though stimulating, is injurious when steadily used. Try instead  
**BORDEN'S Malted Milk**  
IN THE SQUARE PACKAGE  
a combination of rich, creamy milk and the strengthening extracts of wheat and barley malt with the indescribable, nutty, snappy flavor of newly baked bread.

This has proved for thousands a more energizing and beneficial drink, costing less, but far more tasty than either tea or coffee.

On Sale Kahn's Grocery and Drug Dept.

**Vegatol A Laxative Cracker**  
A Safe, Rational, Scientific Remedy for CONSTIPATION. Trial size, 10c; large size, 50c. INDORSED BY PHYSICIANS  
On Sale at Pharmacy of Drug Departments.

**The 94th Semi-Annual Payment of Interest**  
For the six months ending June 30, 1914, a dividend has been declared at the rate of four per cent per annum on savings deposits, payable on and after July 1, 1914.

Dividends not called for are added to and bear the same rate of interest as the principal from July 1, 1914.

Deposits made on or before July 10 bear interest from the first of that month.

## Children Cry for Fletcher's

## CASTORIA

The Kind You Have Always Bought has borne the signature of Chas. H. Fletcher, and has been made under his personal supervision for over 30 years. Allow no one to deceive you in this. Counterfeits, imitations and "Just-as-good" are but experiments, and endanger the health of children—Experience against Experiment.

## What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It contains neither Opium, Morphine nor other Narcotic substance. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Kind You Have Always Bought

Bears the Signature of

Chas. H. Fletcher

In Use For Over 30 Years

THE CENTAUR COMPANY, NEW YORK CITY.

## WOULD BRING MASTER BUTCHERS HERE IN 1915

The Alameda County Butchers' Exchange, in conjunction with the Retail Butchers' Association of San Francisco, is arranging to send a delegation of boosters to the annual convention of the United Master Butchers' Association of America, which meets in Chicago on the first week in August. The object of these California boosters is to invite the convention to meet in San Francisco in 1915.

The celebration of the annual butchers' day in 1915 will mean the bringing of about 10,000 members and their families to this coast, and the directors of the exposition have promised to co-operate in every way with the California branch of the association in making their 1915 convention the greatest in the history of butchers' day.

**PIONEER MANUFACTURER DIES.**  
CLEVELAND, Ohio, June 22.—Thomas H. White, 78, pioneer in the manufacture of sewing machines, died yesterday afternoon at his home on Third street.

## REDMOND SENDS APPEAL FOR IRISH VOLUNTEERS

PHILADELPHIA, June 22.—An appeal to strengthen the Irish volunteers and "enable them to confront adequately this audacious attempt of the British aristocracy and an Irish minority to put down by force the liberties of the Irish people" was received last night by Michael J. Ryan, president of the United Irish League of America, in a cablegram from John Redmond, leader of the Irish Nationalist party. The cablegram was sent from London.

## AUSTRIA CAUSED RIOTS IN ITALY, IS CHARGE

ROME, June 22.—The recent revolutionary movement by anarchists in Italy was fomented by Austria, according to a statement made by Deputy Vitali, who has been investigating conditions in Romania. The deputy says he found evidence of the presence of Austrian agents and learned that an Italian vessel intercepted wireless messages from these agents giving detailed reports of the situation in Italy.

## LILIENTHAL TO SELECT NEW DIRECTORATE

The President of U. R. Holding Proxies of Stockholders, Sets July Meeting.

SAN FRANCISCO, June 22.—Setting of the annual meeting of the stockholders for July 14, President Jesse Lilienthal of the United Railroads has so arranged matters that the new board of directors, to be elected at this meeting, will have been in office just three days before the time set by the State Railroad Commission for the corporation to restore to the

or its equivalent.

This sum, the amount discovered by the railroad commission to have been diverted to outside projects, during the year 1913, by Patrick Calhoun must, by order of the commission, be placed back into the company's funds by the 15th of the coming month.

Jesse W. Lilienthal, president of the United Railroads, East, president from New York the proxies of all the stockholders of the company, and therefore he will have sole power to name all the members of the new directorate.

## LETTER ACCOMPANIES PROXIES.

Accompanying the proxies the following letter was received by Lilienthal from Mason B. Starring, president of the California Railway and Power Company, the holding company of the United Railroads, 25 Broad street, New York city:

Jesse W. Lilienthal, Esq., president United Railroads of San Francisco, Cal.—Dear Mr. Lilienthal: I have received your telegram reading as follows: "See no present necessity for proxies." My telegram to which the above is reply, was inspired by the following thought: The time, since the annual meeting of United Railroads of San Francisco, according to the records in this office, was March 12, 1914, which meeting I presume was not held, as we have no copy of the minutes of such a meeting. If this is the case, I assume that you will, at some convenient time, call a meeting to be held, and for that purpose will need proxies of the stockholders. Owing to the approach of the summer vacation season and the absence of many of our directors, I am having much difficulty in obtaining a quorum at which, along with the other business of the company, the authorization of proxies in question may be made.

## LILIENTHAL'S POLICY.

The opinion rendered by the Commission on May 22, 1914, contained the following language: "We say this realizing that the present president of this company, Jesse W. Lilienthal, has given evidence so far as he is empowered to conserve the finances of this company; but attention must be called to the fact that Mr. Lilienthal's tenure of office and his policy are absolutely in the hands of the same stockholders who ratified, etc. Also: 'It is to be regretted that we cannot accept the known probability of Mr. Lilienthal or his declarations of purpose as persuasive of the fixed policy of this company.' Consideration of this language seemed to me to indicate the importance of having the stockholders to whom reference is made to go as far as lay in their power toward such act or acts as would convince the Commission that the United Railroads situation and its policies have been placed in the hands of Mr. Lilienthal and that board of directors with which he has surrounded himself.

At this time I know of no other more such stockholders can do than to send to you proxies to be voted by you, and with which you can establish yourself and your board in office for the ensuing year, and further establish such policies of the United Railroads of San Francisco as in your judgment and theirs are best calculated to serve all interests.

Yours very truly,

M. B. STARRING.

## OAKLAND PUBLIC WOOD YARD REPORT IS FILED

In the monthly report of the Oakland Public Wood Yard, Superintendent Goodrich states that while many of the able-bodied men have been drawn off into the spring industries, still the problems of men either too old or too feeble to work, and unemployed family men are both serious. He calls attention to the fact that the yard should be given sufficient support to enable them in charge to attempt partial organization of this, the city's labor market.

The receipts and disbursements for the month of May were as follows:

Cash on hand, May 31, 1914	\$65.85
Receipts—Coal	3.50
Team	8.95
Wood	11.95
Beds	11.05
Total receipts all sources	\$256.50
Disbursements—Food	61.30
House expenses	22.10
Labor	93.85
Leans made	3.90
Deposited with treasurer	1.00
Miscellaneous expenses	6.75
Improvements and repairs	2.25
Total disbursements	\$191.15
Balance on hand May 31, 1914	\$65.85
1914 1913 1912	

No. of meals served ..... 2270 1733 1106

No. different men in line ..... 178 143 111  
No. temporary jobs—men ..... 84 117

## NEWLANDS REPORTS ON TRADE COMMISSION BILL

WASHINGTON, June 22.—That a Federal trade commission, created at the time of the establishment of the Interstate Commerce Commission, had prevented the development of industrial monopolies in the United States is one of the contentions in the report of "Chairman" Newlands of the Interstate Commerce Commission on the trade commission bill presented today to the Senate.

If this commission had been in existence, "said the report, we now have to deal with such organizations as the United States Steel corporation, the International Harvester company, or the American Sugar Refining company, which would have been organized and even the Standard Oil company would not have survived the dissolution of the original Standard Oil trust.

The Senate bill is substituted for the House bill. The two measures are alike in principle, but the Senate bill would make "unfair competition" and "unlawful discrimination" a criminal offense, and would also give an investigation of foreign trade conditions and their effect on United States export trade.

## BLONDE CLARICE IS 'GOING HOME'

Girl Arrested in Oakland Says She Has Learned Lesson.

SANTA MONICA, June 22.—"I am going right straight home to mother, and it seems to me that I have learned my lesson most thoroughly. Who can tell, probably my future may be better than my past," remarked Miss Allen, who is known as "Clarice the Blonde," as she bid goodbye to Mattson Levett at the Santa Monica city jail.

Mrs. Allen had just been freed on her own recognizance by Judge Carrillo after being incarcerated in the city jail three weeks. A preliminary hearing was held and continued until next Thursday in order that Judge Carrillo may look over handwriting exhibits.

Mrs. Allen was charged with attempting to extort money from Earl Nash, a Santa Monica merchant, by there were five of these letters, and revealing facts from him to avoid revealing as to his relations with her. She was arrested in Oakland.

There were five of these letters, and Nash, in court, recognized them as having been received by himself, but pleaded ignorance to the writer and said the handwriting was unfamiliar to him.

He testified that the last time he knew of the whereabouts of the defendant was in the latter part of the year 1912, and at that time their relations were friendly.

Clarice, the handwriting expert, testified that the letters written to Earl Nash and the handwriting submitted as that of Mrs. Allen were the work of the same person.

When the attorneys had finished arguing, Judge Carrillo said he would take the evidence under advisement.

## LOVER THREATENS; GIRL DISAPPEARS

LOS ANGELES, June 22.—With the mystery intensified by the death threats of a former sweetheart from whom she fled from San Francisco to escape, Polixia Ratoleski, a beautiful young Polish woman, has disappeared from her home at 1435 Wallace street.

Suspecting that she has been slain by her former sweetheart, Ramon Ratoleski, the husband, today begged the police to find his wife.

According to the story told by Ratoleski, his young wife whom he married three years ago, after she had obtained a divorce from her first husband disappeared ten days ago from their home, taking her 10-year-old daughter and a large sum of money. For some months she had been in constant fear of a Russian who followed her and threatened to kill her if she did not leave her husband and go to him.

When the husband, furious with jealousy, tried to find him, he disappeared.

That his wife had been lured into a white slave den by this Russian, or has been slain is the theory of the husband.

"Something has happened to her," he said today, "or she would not have left me. She took the money, but I may have been to try and pay the man to let her alone. I fear she has been slain, as he threatened to kill her many times, so others told me. I could never find him. He knew her years ago in San Francisco. I will search the whole city for some trace of her."

## Buy 6% 1st Mortgage Gold Bonds Now

And exchange them later, if you wish, for Stock That Should Rapidly Increase in Value and Pay Large Dividends for Many Years

About \$10,000,000 of copper ore has already been located and partially opened up on our property.

Money to Be Used for Rapid Development During the Construction of a Railroad Making Preparation for Production Period

—These bonds are convertible into stock of the Company at the option of the purchaser. The Company's assets, including ore, real estate, equipment and \$700,000 in cash and notes, make the security ample for a much larger amount than the bond issue.

—The bonds are issued in denominations of \$100, \$500 and \$1,000, and may be purchased on terms. Interest payable quarterly in gold—exclusive of income tax.

—You may secure a 6% safe investment now and join later in larger profits.

—About \$300,000 has been subscribed recently, by people who know, for the building of a railroad from the main line of the Southern Pacific to the property, which is centrally located in the great copper fields of Arizona.

—The purpose of this special offer is to get ready for shipping an additional tonnage by the time the railroad is completed (about January 1, 1915), which added production should increase the Company's net profits from \$1,000 to \$2,000 daily.

—This Company was organized several years ago, has successfully passed through all development stages and is now at the production and profit-taking period.

—How high this stock will go after shipping has begun can be best estimated by YOU after investigation. Shares in other companies under similar conditions have increased from 200 to 600 per cent in a comparatively short time.

—Bond allotments will be made in the order in which the applications are received. Write today for complete and definite information and photographs of the property.

WESTINGHOUSE PLANTS  
PICKETED BY STRIKERS

PITTSBURGH, June 23.—Pickets today surrounded the four Westinghouse plants where a strike is in progress, but no attempt was made to pass the closely drawn lines of deputy sheriffs near the entrances.

WASHINGTON, June 23.—Secretary Wilson was advised today that the state of Pennsylvania had designated Francis Pecham and James A. Steele, of its labor department, to act with the federal department of labor coordinators investigating the Westinghouse strike.

SUPERIOR JUDGES  
BEGIN VACATIONS

Four superior judges have left for their summer vacations and with the assistance of two outside judges there will be four courts open for business during the next six weeks. Those who have gone away are Judges W. H. Wastie, T. W. Harris, F. B. Ogden and Everett J. Brown. Judge W. H. Donahue and W. J. Wells remain. They will be assisted by Judge Stanley Smith and Judge E. V. Sargent of Monterey county. Judge Sargent will arrive next week.

ORRINE  
FOR DRINK HABIT

So uniformly successful has ORRINE been in restoring the victims of the drinking habit to normal health and in its curative powers, that we want to emphasize the fact that ORRINE is sold under this positive guarantee. If after a trial, you get no benefit, your money will be refunded. ORRINE costs only \$1.00 per box. Ask for Free Booklet. The Owl Drug Co., 29 stores on the Pacific Coast.

SUIT FOR DISSOLUTION  
OF AMERICAN CAN CO.

BALTIMORE, June 23.—Enormous prices were paid by the American Can Company to several Baltimore can-makers for their plants, according to testimony yesterday afternoon at the hearing here before Examiner Edward Hacker in the suit of the United States government for dissolution of the American Can Company.

John Black, of Black & Krebs, testified that about \$125,000 was paid for the Baltimore and Indianapolis factories of that concern. They were sold to him worth from \$25,000 to \$30,000 each. William Felt was paid \$250,000 for his plant the machinery being worth about \$15,000.

Mr. Felt testified that before the formation of the American Can Company, competition was keen and a certain kind of can brought \$16 to \$18 a thousand. Afterward the market price was \$30 a thousand.

RESUMES TESTIMONY AT  
EMPRESS WRECK INQUIRY

QUEBEC, June 23.—When the Empress of Ireland wreck inquiry was resumed today, Captain Walsby, marine superintendent of the Canadian Pacific railroad, continued his testimony in regard to the number of boats and lifebelts carried by the liner. In each case the number called for by the regulations was found to have been exceeded. C. S. Hault, of counsel for the owners of the liner, testified that the Empress, when she was wrecked, was in the Canadian Pacific harbor service. Captain Walsby said that the command of the Empress was the highest position in the service.

ROTARY CLUBS DISCUSS  
IN ROUND TABLE GROUPS

HOUSTON, Texas, June 23.—Twelve "round table" discussions of different groups and committees occupied delegates to the international convention of the Rotary Club here today.

ANNEXATION PLAN  
WILL BE OPPOSED

Chamber of Commerce Directors Move to Counteract New Alliance.

That the city of Los Angeles, by officially advertising for bids to contract for the securing of signatures to the petition designed to place an amendment before the people, allowing cities to annex outside their county lines, has lined itself with San Francisco in what may place Oakland in another annexation fight, was announced this morning when at the meeting of the directors of the chamber of commerce, Secretary A. Denison outlined new developments in the situation.

Denison warned the directors that the advertising for bids meant that Los Angeles has been won over by San Francisco, but stated that there was hope in that outside communities about Los Angeles were bitterly opposed to the project, by which Los Angeles as well as San Francisco could gain a valuable asset.

"Well, if Los Angeles is against us, there's no use fighting," declared Dr. George O. Pardee.

**IMPROVES CHANCES.**  
"Sure we can fight," retorted Denison. "When we consider that the towns around Los Angeles are against the and don't want to be gobbled, it makes things look a good deal better."

Denison went on to explain that at recent conferences held in San Francisco a constitutional amendment, Oakland men urged that San Francisco be allowed only to extend down the peninsula.

"The San Francisco men did not like this plan and offered instead that we should agree to any sort of annexation provided that they conceded it could only be carried by a two-thirds vote," he declared.

"And these are the gentlemen who said they only wanted to extend down the peninsula," said W. E. Gibson.

"It appears to me," declared H. C. Capwell, "that we had better take what they concede and let matters take their course then," said H. C. Capwell.

"But that puts us in the position of not fighting this law that we are against," declared Denison.

"Well, we can't do anything if they have Los Angeles," declared Pardee. "There's no hope."

"I think there is," declared Denison.

**TO SEEK DATA.**  
The matter was laid over for one week, while Denison is to canvass the sentiment in the south.

Routine business occupied the principal portion of today's session. Secretary Denison reported on the reorganization of his office and also presented twenty-five applications for membership. Bills were passed and accounts of dues owing the chamber noted.

According to Denison, he understands that San Francisco and Los Angeles of this morning have agreed that Los Angeles shall furnish data to the chamber of commerce and San Francisco shall obtain the rest.

The proposal is to adopt a constitutional amendment allowing any city to annex land outside the boundaries of its county. This would mean that San Francisco could annex the entire peninsula.

"I am not afraid of such a campaign," declared Pardee. "But I do know that we would be forced to do it at the expense of ourselves. It is this expense that I object to."

Further details of the matter will be taken up at committee meetings to be scheduled shortly.

Sculptor Injured in  
Street-Car Accident

SAN FRANCISCO, June 23.—V. H. Jones, a sculptor employed at the Fair grounds, is lying on the same cot at the Central Emergency Hospital today that was occupied by one of his associates several months ago, to save the life of whom Jones gave a pint of his blood. The sculptor in question suffered a severe hemorrhage following the removal of his tonsils. His life was despaired of until Jones offered to donate the necessary blood supply, after which he quickly rallied and is now home at rest. Last night Jones was struck by a car and suffered a basal fracture of the skull. He has just a chance of recovery and his condition is watched over him, unable to do more than pray for his restoration to health.

Germany Outbidding  
U. S. for Canal Right

WASHINGTON, June 23.—Attempts by German interests to outbid the United States for rights to construct an inter-oceanic canal across Nicaragua were revealed today in the Senate foreign relations committee by Nicaraguan Minister Chamorro. The minister said Germans had offered the United States \$3,000,000 for the canal, but that the United States had refused the offer and other concessions were not enough.

\$30,000 Wheat Crop  
Is Burned in Field

STOCKTON, Cal., June 23.—A grain field of 1000 acres which was about to be harvested caught fire yesterday and was totally destroyed. The field averaged 20 sacks of barley to the acre and the value of each sack is fixed at \$1, making a total of \$20,000. The field was insured. Nothing is known as to the cause of the fire.

## TO ADDRESS WELFARE LEAGUE.

Starting a campaign to insure the keeping closed of Oakland's old segregated district, the Public Welfare League will tonight, following a business session, hear an address by E. White of San Francisco, who will address the meeting under the auspices of the campaign committee for the red light abatement bill. The meeting will be held at 8 p. m. at the Y. M. C. A. Preceding the address will be a short business meeting at which an informal discussion of the league will be held.

## CABINET AGAINST "PORK."

WASHINGTON, June 23.—General approval of an amendment to the rivers and harbors bill for a government concession to make out a comprehensive plan of internal waterway improvement was given today by the cabinet.

CLERKS HERE FOR  
DRUG CONVENTION

Session Will Consider Certification by Doctors and Excess Registration.

Druggists from all parts of California began arriving early this morning for the big convention of the California Drug Clerks' association which will open tonight in the auditorium of the Oakland Chamber of Commerce. President J. S. O'Callaghan, and the Oakland and San Francisco committees were on hand early this morning to make preliminary arrangements for the gathering. Afternoon trains brought in many delegates from the north and from valley towns. The southern delegation is due late this afternoon.

The convention, which will run for three days, will take up a number of important matters in connection with drug store practice. Certification of drug stores by the medical profession, one of the topics on which discussion is slated will be considered, together with the overhauling of the profession through over-registration.

Advocated, officers said. The business sessions will be held nightly in the chamber of commerce auditorium, leaving the days for sight-seeing and entertainments.

A grand ball at the Key Route Inn, and a number of other features are being planned by the committee in charge of the entertaining of the visitors.

## RECOGNIZES UNIONS

"Insane Thing Not to," Says John Wanamaker Before Industrial Body.

PHILADELPHIA, June 23.—"It's an insane thing not to recognize organization of labor," said John Wanamaker today, in giving further testimony before the United States commission on industrial relations. He made this statement in reply to a question whether employers should recognize labor unions.

On the general questions of unionism Mr. Wanamaker said he believed labor had "suffered frightfully" in the past because of poor leaders, but added that he is seeing a better class of leadership coming in.

Commissioner Harris Weinstock of San Francisco, who presided, who asked the witness if he could supply the missing link that would bring capital and labor together. Mr. Wanamaker said:

"I believe that labor and capital have the right to organize. On the one side capital, there is responsibility and on the other labor, there is none. There you stop. The missing links, I believe to be prejudice and misunderstanding which must be overcome."

"One of the ways to wipe out this prejudice and misunderstanding is to relieve labor unions from political parties."

## ROCKEFELLER'S GREAT MISTAKE

Speaking of capital, Mr. Wanamaker said John D. Rockefeller Jr. made a great mistake when he put on the civilian in position of sending troops into Colorado.

"I might be mistaken in this," he said, "but that is the way I feel about it."

Contact with the employees is a remedy for much misunderstanding, the witness said. "There are no labor unions which have no other purpose than to protect their wages," he said.

"Men who spend their time getting their salaries generally fail."

Commissioners Lennon of Illinois and O'Connell of Washington, who are the representatives of employers on the commission, pled Mr. Wanamaker with many questions. Asked whether he was an advocate of the eight-hour day, he replied:

"Eight hours or less."

On the question of the minimum wage for women the witness said that as an experiment it should not be condemned.

## GOVERNMENT OWNERSHIP

Discussing public ownership as a means to reduce industrial strife, Mr. Wanamaker said he was "an absolute believer in government ownership of public utilities."

"I believe the government should own the railroad," he said. "It would prevent conditions that have existed in the New Haven road and in the Rock Island system. Government ownership would bring one-cent postage because the government owned the means for carrying the mails."

The witness painted a rosy future for the workingman. "Men and women are in a rising market; they are being better educated, have more intelligent surroundings and are no longer mired for rich men to wipe their feet upon," he said.

During the discussion of public ownership of utilities Commissioner Weinstock described the remark that the commission will, in drawing up its recommendations to Congress, consider the wisdom of advocating public ownership of utilities, as a means of reducing strife between the employer and employees of public utilities.

DETROIT RECTOR IS  
NOW MONTANA BISHOP

BUTTE, Mont., June 23.—Rev. Dr. William F. Rector, rector of St. John's Episcopal church in Detroit, Mich., was elected cathedral bishop of the Episcopal diocese of Montana last night at the eleventh annual convention of the diocese, the first business session of which was held today.

Stomach Troubles  
Due to Acidity

SO SAYS EMINENT SPECIALIST.

Stomach troubles, such as indigestion, wind, and stomach-ache are in probably nine cases out of ten simply acidity. Fermentation of the food takes place in the food contents of the stomach, raising the formation of gas and acids. Wind distends the stomach and causes flatulence. Heartburn, which is known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the food. Stomach acidity is not only unnatural, but may involve most serious consequences if not corrected. To stop or prevent fermentation of the food contents of the stomach and to neutralize the acid, and render it bland and harmless, a teaspoonful of bluerated magnesia, probably the best and most effective corrector of acid stomach known, should be taken in a quarter of a glass of hot or cold water immediately after eating, or whenever acidity is felt. This stops the fermentation and neutralizes the acidity in a few moments. Fermentation, wind and acidity are dangerous. The use of a proper remedy, such as bluerated magnesia, which can be obtained from any druggist and thus enable you to prevent the formation of acid, without being hindered by poisonous gas and dangerous acids.—M. F. P.

## Senator Muentner Says Akox Quickly Cured Bad Stomach

Former U. S. Collector of Internal Revenue Proves Medicinal Mineral.

Aug. E. Muentner, 851 California street, San Francisco, former State senator, representing San Joaquin county, until recently United States collector of internal revenue in San Francisco, has ended stomach trouble of several years' duration by using Akox, the great medicinal mineral discovered by John D. Mackenzie.

Acute indigestion, sour stomach and gas troubled Senator Muentner after eating heartily until he tried the Akox internal treatment. He was agreeably surprised to note a great improvement in two weeks. At the end of a month there was no trace of the old disorder.

"For several years I had severe stomach trouble," said Senator Muentner. "I was unable to eat anything without feeling a heavy meal. I would suffer from indigestion. My stomach was sour and I was troubled with much gas. I tried various remedies, but they gave me only temporary relief until I tried Akox."

"After taking the Akox internal treatment, I was able to eat anything without any of the former distress."

Rheumatism, stomach trouble, eczema, catarrh, piles, ulcers and other ailments have yielded very readily to

SENATOR AUG. E. MUENTNER.

The Akox treatment in the great percentage of cases. Akox is sold by all leading drug stores. Call, write or phone Natura Co., 512 Mission street, Sutter 316, for further information regarding this advertisement.

## RAILROADS RETAIN VAST OIL DOMAIN WANTS CITY TO FIND EMPLOYMENT

Decision, Asserts S. P. Attorney, Affects Pending Case and Fraud Contention.

SAN FRANCISCO, June 22.—Attorney Charles R. Levers of the Southern Pacific company, has issued the following statement, relating to the decision of the United States supreme court, whereby that tribunal yesterday held void the clause in the patents granting \$700,000,000 worth of oil land reversion to the government, thus vesting the title to the land in the transcontinental railways which claimed it.

We have received confirmation of the early telegraphic reports that the supreme court had decided the case of Edmund Burke vs. Southern Pacific Railroad company, et al. in favor of the railroad company. It now appears that the decision is in favor of the company upon the question of the reversion of the oil lands.

The chief contention between the parties was as to the validity of the mineral reservation clause in the patents. The clause provided that the patents should be null and void if the lands were found to be mineral. The government claimed that the clause was unconstitutional, and that the patents were void. The railroad company claimed that the clause was constitutional, and that the patents were valid.

EXCEPTION IN PATENT. The patent involved in this case was issued on July 19, 1884, and contained the above mineral exception.

AWARD \$2000 ATTORNEY FEES TO L. E. PHILLIPS. The supreme court has awarded \$2000 attorney fees to L. E. Phillips, who represented the government in this case.

TITLE WITH PATENT. The court answers this question in the negative, apparently on the ground that the patent is a conclusive declaration that the lands were mineral.

EXCEPTION VOID. The third question was as to whether the exception clause inserted in the patent was void. The court answers that it was.

QUESTION OF PRIVACY. The fourth question was whether the government had a right to the lands at the time the patent was issued.

What We Hear Daily. Worn out hunting for a tramping outfit?

## KNOWLAND SCORES TARIFF

Democratic Policy Hurts California, He Says

LONG BEACH, June 22.—Charging the Democratic party with smugling out California for punishment in the making of the tariff, Congressman Joseph R. Knowland last night branded the measure grossly unfair. He declared also that the value of the Panama Canal to California had been destroyed by the surrender to Great Britain of American rights.

"Judging from the workings of the Democratic tariff, it appears that the Democratic party has singled out California for punishment. The tariff bill is grossly unfair to this State, striking every section of California. The citrus fruit industry of the State, one of the most important industries of California, has been dealt a most severe blow at the hands of the foreign importers."

TOLLS SURRENDER. The surrender to Great Britain of American rights in the Panama Canal and the repeal of the free tolls measure has destroyed, in a large measure, the value of the canal to California.

Attorneys of the equal suffrage States, prominent among which are those of California, are incensed at the repeated failures to secure action on the equal suffrage amendment.

Henry P. Barbour, president of the club, was chairman of the meeting. Several women's clubs are being formed in Los Angeles to support Knowland for Senator on account of his fight on the floor of the House for the equal suffrage movement.

ATTENDS BARBECUE. Knowland attended a barbecue on Sunday afternoon at the residence of Mrs. Kate Agor, Western avenue and Santa Barbara street, Los Angeles. There were 1500 present. Knowland meeting all those attending. He will address the Long Beach Republican Club this evening and has also been invited to speak before the Federation of State Societies this evening. A big Knowland banner has been hung across Spring street, Los Angeles.

FORM KNOWLAND CLUB. A "Knowland for Senator" Club has been formed in the Twenty-fifth Assembly District of San Francisco. The officers are as follows: Charles Goodell, president; Hector Demond, vice-president; Mrs. E. B. Qui, secretary; Miss Ella Johnson, treasurer; C. J. Ryan, sergeant-at-arms.

G. A. R. ENDORSEMENT. The National Tribune of Washington D. C., the national organ of the Grand Army of the Republic, has endorsed the candidacy of Congressman Joseph R. Knowland for United States Senator, stating that he has "during his long service in the House of Representatives, always shown himself a friend of the Grand Army of the Republic veterans and the Spanish War Veterans."

"NO FIGHT," HE SAYS. SAN FRANCISCO, June 22.—"There is no factional fight in the Republican party," declared Henry M. Knowland, chairman of the campaign committee of the Republican County Committee today, in speaking of the "tempest in a teapot" mix-up between his organization and the

Forbes secessionist faction, which recently endorsed John D. Fredericks for Governor.

"Some may prefer one candidate and some prefer another; this is a right possessed by every voter regardless of political affiliation, and it is the aim of all good citizens to maintain these principles, and the Progressives have no trademark thereon," is the way he sizes up the situation.

"We are for Fredericks and they are for Keesling," is the parting shot of James Boobar, who with Charles Forbes heads the Fredericks faction.

CANDIDATES ACTIVE. While the controversy goes on the two candidates in question are making most of the time that intervenes between the two camps.

On August 23, Keesling returned from Sacramento yesterday, where he conferred with the party leaders and announced that he would take the stump next week in a tour through the coast counties. Later on he will devote his time to the South

home section, and Charles M. Belshaw of Antioch is touring in the vicinity of Grass Valley.

Edwin Meserve declares that his hat is still in the ring for the Republican nomination, though it has been predicted that he would withdraw before the critical stage.

Frank Mattison has announced that he will be a candidate for the State Board of Equalization from this district. He was elected to the board from 1903 to 1907. Governor Gillett appointed him State Controller to succeed A. P. Moe, who had been appointed by Governor Pardee just before his time expired. Nye prevented Mattison from taking over the office after a lengthy civil suit.

IN NORTHERN COUNTIES. R. S. Taylor of Yreka, for years considered one of the best political prophets in Northern California, was in San Francisco yesterday expressing the opinion that Samuel M. Shortridge, candidate for the Republican nomination, would carry most of the counties north of San Francisco.

San Mateo Republicans are planning a big rally at Montara for this evening. A county organization will be perfected.

Edward J. Heaney is out for the Republican nomination for Assembly in the Twenty-eighth District.

L. L. James seeks to be the choice of Republicans in the Twenty-second District for Assemblyman.

William C. Ralston, candidate for the Republican nomination for Governor, has been president of the California Miners' Association since 1906. He helped to organize that body in 1891, and was its first secretary.

Walter Seaborn, city clerk of Berkeley, is a candidate for the Assembly in the Forty-first District. Seaborn is a Republican. He will oppose C. C. Young, who was Speaker of the House at the last session.

ALAMEDA, June 22.—W. W. Cooley of Alameda, civic worker, aspirant for the position of Joseph R. Knowland's congressional opponent in the Sixth District, Cooley has told friends who have been after him for some time that he has decided to try for the nomination at the primaries on the Republican ticket.

## CARRANZA REFUSES PARLEY

Will Not Confer With Huertistas on Presidency

NEW ORLEANS, June 22.—Carranza will not accept the invitation of the United States government to send representatives to meet informally with agents of Huerta in any endeavor to select a provisional president of Mexico, according to a statement here today by Alfredo Breceda, private secretary of General Carranza, and a member of the latest commission Carranza is sending to Washington.

Coming direct from a visit to General Venustiano Carranza, Fernando Iglesias Calderon, a leader of the Liberal party in Mexico, is en route to Washington to meet with President Wilson and Secretary Bryan, not as a representative of Carranza, but as a leader of the Liberal party.

With Alfredo Breceda, private secretary to Carranza, and R. F. Villavieja, a Constitutionalist official of Saltillo, he is en route to Washington. It is expected he will leave for Washington tonight.

Calderon was emphatic today in his declaration that he would not represent Carranza in any negotiations that might enter either at Washington or at Niagara Falls.

His traveling companions, however, stated that Calderon might act as go-between for the Constitutionalist and whatever negotiations he might be a party to.

"Carranza is firm in his attitude that he will not treat with Huerta except on a very important mission to Washington, of which we cannot talk, but it is not to meet with representatives of Huerta, formally or informally."

That the commissioners intended to be fully informed of the situation at Washington and Niagara Falls was indicated by the arrival today of direct from Washington of J. P. Urdi, secretary of the Constitutionalists' representatives in Washington, who delivered the Carranza note to the mediation conference at Niagara Falls.

Urdi said he was in New Orleans on another mission, and would leave probably tomorrow, but for what place he would not say.

It had a message for the commissioners he did not make it public.

On the delegates from the two Mexican factions themselves will rest the burden of selecting the man of the hour, the one who has been deadlocked in the mediation conference and nearly disrupted it last week.

In informal conferences all internal questions will be discussed, the counsel of the American delegates and mediator being given when sought. The mediation conference will continue its work.

The results of the two sets of negotiations, it is hoped, ultimately will be incorporated into a pact effecting a cessation of hostilities and opening a way to complete restoration of peace.

DIPLOMATS HOPEFUL. The fact that the two warring factions are to be brought together to discuss the personnel of the new provisional government has encouraged the mediation colony generally to hope for a settlement.

It is not known, however, who are to be the delegates to the mediation conference. The government has encouraged the mediation colony generally to hope for a settlement.

WASHINGTON, June 22.—No answer to the invitation extended by the American peace commissioners at Niagara Falls to Constitutionalist agents for an informal conference with Mexican delegates is expected to be made until the Washington agents of General Carranza reach Washington today or tomorrow.

Fernando Iglesias Calderon, Alfredo Breceda and Leopoldo Huertado Espinosa are en route with special instructions from the Constitutionalist chief in official quarters today it was declared by one in authority that the Mexican delegation was expected to be made until the Washington agents of General Carranza reach Washington today or tomorrow.

Mediators Proceed. NIAGARA FALLS, Ont., June 22.—Mediators, American and Huertista delegates, are en route to Niagara Falls for the informal conference.

## LAT & PENNOYER COMPANY

Extraordinary Reductions in 'Ratine' and 'Eponge' Suitings

## CLAY at 14TH and 15TH

to the possibility of the missing soldier having been taken prisoner by Mexican federalists.

CARRANZA MAY CHANGE. EL PASO, Tex., June 22.—The removal of General Trevino as Carranza's chief of staff and Ysidro Fabela, acting minister of foreign relations in the Constitutionalist cabinet, reported from Saltillo, was taken by revolutionists here today as a victory for the Villa faction. Both were said to have been opposed to Villa's southern campaign and in favor of the creation of the new military zone, which looked like a serious step toward continuing his advance toward Mexico City.

VERA CRUZ PEACEFUL. VERA CRUZ, June 22.—A relaxation of the tense feeling among the Mexican federal outposts around Vera Cruz, resulting from a rumor that the American troops were planning an advance, was indicated here today by the arrival of a story of the building to cost \$7,000, 699 to be erected on the site.

DISTURBS WIFE'S PEACE. ALAMEDA, June 22.—George Fouts of 1311 Court street is in the city prison charged with disturbing the peace of his wife, Mrs. Lucy Fouts. It is claimed that he created a disturbance yesterday and threw a lamp at his spouse. He is held in lieu of \$300 bail.

NEW YORK REALTY IS Sold for \$6,000,000

# INSANE MAN KICKS FELLOW PRISONER TO DEATH IN CELL

## TRIBUNE DAY TICKETS READY TOMORROW

Idora Park the Place, June 30 Time of Paper's Big Annual Entertainment

All calendars point to Idora Park tomorrow. From time immemorial another day until the big day of the season—TRIBUNE DAY, June 30, when Idora Park, home of joy, is to be turned over to the guests of the newspaper.

Tickets to the big park and concession passes to its attractions are to be given FREE to every man, woman and child who cares to ask for them. That's all one has to do—ask for them. THE TRIBUNE urges the public to do so, and wants to welcome every one at the big park.

Last year's TRIBUNE DAY saw the biggest crowd ever assembled at Idora, and the park officials declared that they could have handled many more without difficulty. This year they're going to. This year will see a bigger crowd than last, a more successful TRIBUNE DAY, and a better time for all.

There's no danger of not having a good time. There's going to be a big time for everyone. And, best of all, it's to be FREE. Idora Park has promised THE TRIBUNE that the paper's guests are to get the best of everything. It's the only day of the year when the park is open to the public last year is well known. It's needless to say that the park management made good.

Special forces of attendants will be in charge at the park to insure all receiving attention. Workmen are looking over the concession, that all may be in apple pie order.

HERE ARE ATTRACTIONS  
Isn't this a list of attractions to charm any youngster?  
MINIATURE RAILWAY  
AUTO TRACTOR  
CARTON  
MOUNTAIN SLIDE  
CARTON  
CARTON  
MOVING PICTURES  
SHOOTING THE RAPIDS  
SCENIC RAILWAY  
SOCIAL WHEEL

So June 30, day and night, will be the big day, joy, THE TRIBUNE cordially invites every man, woman and child to be there and help it celebrate.

Furthermore, some one will take home a souvenir in the shape of a Mercury Cyclecar, valued at \$430, complete and ready to run. The little automobile will be primed, oiled, filled with gasoline and ready to run right out of the park and home. One of the number ticket coupons will do the work. The judges will draw a number; the holder of the coupon will take that number on it will draw the car. REMEMBER, JUNE 30, THE BIG DAY, BE THERE! IF YOU DON'T YOU'LL MISS SOMETHING GREAT!

CYCLE CAR EXHIBITED.  
The cyclecar, to be given away as a TRIBUNE DAY prize, has been seen about Oakland and has already attracted considerable attention. The car is scheduled to be on exhibit at the various branches of THE TRIBUNE on dates as follows:

Harvard branch, J. T. Carren First National Bank Building, this afternoon, from 3 to 4 p. m.  
Pharmaceutical branch, E. W. Edwards drugist, East Fourteenth street and Bay View avenue, this afternoon from 4 to 5 p. m.  
Richmond branch, Edwin Pascoe, 921 Macdonald avenue, Wednesday afternoon, June 24, from 2 to 4 p. m.  
Added interest is taken in the cyclecar contest through the fact that an absolute and full guarantee of the machine to be given away has been announced by its makers. This guarantee is as follows:

EDITOR TRIBUNE: This letter is to certify that we give an absolute guarantee of one year on this Mercury Cyclecar to be given away Tribune Day, June 30. This guarantee covers the replacement of any defective material or workmanship which develops within the year. We also wish to advise the lucky party that when this car, that we will be very much pleased to give the necessary instructions for the operation of same and any other courtesies which our company always extends to purchasers of any car which we handle.

E. L. PEACOCK AUTO CO.  
F. W. Hauger, General Manager.

## GREAT FLOOD DEVASTATES CHINA

Many Lives Are Lost in Inundation From the West River

Damage to Property Is More Than Five Millions

LONDON, June 23.—Cablegrams from China report devastation by floods involving thousands of lives. The damage to property and crops is estimated at more than \$5,000,000 around the West river.

NATIVES FLEE.  
HONG KONG, June 23.—Extensive areas in the provinces of Kwangai and Kwantung are inundated as a result of the flooding of the West river, which has risen 70 feet out of its banks. Thousands of natives, who at first took refuge on the roofs of houses, finally were compelled to flee to the hills for safety. The number of persons drowned is not known.

The parquo ground in Wuhow, a treaty port in the province of Kwangai, 180 miles west of Canton, is 10 feet under water. The customs officials there and the members of the foreign staff are living on boats. The Chinese commissioner's house is covered by water.

## Cruiser Will Rescue Family From Island

ON BOARD U. S. S. CALIFORNIA, Mazatlan, Mex., (by Wireless to San Diego, June 23).—The cruiser Cleveland at Acapulco sent word to Rear Admiral Howard, in command of the Pacific fleet, that a boat arrived there today containing the second mate and two men from the wrecked American schooner Nokomis, bound for San Francisco, which went ashore on Clipperton island on February 28.

The captain, his wife, three children and five of the crew are on the island short of provisions.

Admiral Howard ordered the Cleveland to carry aid to the shipwrecked crew and she departed today.

## Postoffice Robbed By Safe-Cracker

WINDSOR, Cal., June 23.—Safe crackers, who have committed a number of minor depredations in Sonoma county, blew the postoffice safe here last night and obtained \$200 in stamps and money orders. The robbery was discovered this morning.

## Separate Skirt Clearance

## Grocery Auction

On Thursday, June 25th, at 10:30 a. m., at the store formerly conducted by J. H. Moore (Bankrupt) 358 40th Street, Near Broadway, (O. A. & E. Station).

Stock consists of large quantities of tea, coffee, sugar, apples, baking powder, tobacco, beans, jelly, etc., etc. Everything clean and fresh; store open only two months.

## FOUND THROUGH LETTER HAD FAMILY TROUBLES

MRS. J. B. BUNYARD, MISSING WOMAN, WHO HAS BEEN FOUND SAFE IN STOCKTON.

## Mrs. Bunyard, Missing Over Month, Is Located in Stockton Boarding House

Through an anonymous letter the month-long search for Mrs. J. B. Bunyard of Selby has come to an end with the finding of the missing woman in a Stockton boarding house.

Mrs. Bunyard's disappearance on May 14, following her departure from a private sanatorium in Martinez gave rise to exciting conjectures as to her fate and sanity. But driven now by publicity into an explanation, she states that her flight from home was caused, not by any mental derangement, but by domestic infelicity. She and her husband could not live together peacefully, she says.

The anonymous letter which ended the mystery, informed Bunyard that his wife had been located in a boarding house at 503 North San Joaquin street, Stockton. At the very door of this address, investigators met the woman herself who made no denial as to her identity, but expressed her opinion of those who would not let her disappear quietly.

"They have published all sorts of things about me," she declared indignantly. "All I want to be left alone."

"There is no mystery in my leaving home. My husband and I could not live together peacefully. That is all I came to Stockton to secure employment. So far I have found none."

Emphatically Mrs. Bunyard denied having tried to evade the police. Ever since leaving Martinez where she had spent some time in a sanatorium, she had been in Stockton appearing frequently, she said, on the streets.

"I have made absolutely no attempt to conceal my identity," she asserted. "This is as false as the statement that while in the sanatorium I suffered from a mental derangement. This has been said by relatives and others, but it is without foundation."

ASSERTS SHE'S SANE.  
"Following the birth of my baby my husband suggested that I retire to a sanatorium for a brief rest. I did so. I was perfectly sane then, and anyone can see that I am sane now."

"At the sanatorium I decided that I could not live happily with my husband, and, as a result, I am here. I have no intention of returning to Mr. Bunyard. All I ask is an opportunity to earn my living."

Asked if she would like to see the baby from which she had been separated, the woman remained silent a moment, endeavoring to stave the tears that filled her eyes.

"Yes, I do want my baby," she finally replied, "but my husband is better able to care for the child than I am. I am not the mysterious woman in blue who was seen in San Francisco."

Mrs. Bunyard added: "There is only one thing true in all these rumors—that is I shall not return to my husband."

Notwithstanding his wife's declaration that she would never live with him again, Bunyard hastened immediately to join her in Stockton. When he learned that she was actually there.

"My future course depends upon my wife's condition," said the husband as he prepared to leave the city for Stockton. "If she is well enough, and will consent to the plan, I will bring her back home with me."

## ANOTHER IS EXPECTED TO DIE

Laborer Becomes Suddenly Demented; Victims Asleep

SEATTLE, June 23.—N. Marcott, 25 years of age, a prisoner, held in the receiving cell at the city hall, went suddenly insane late last night and kicked to death Arthur Johnson, aged 29, a fellow prisoner, probably fatally injured another prisoner and seriously injured two others.

Johnson, a journeyman butcher, came to Seattle three weeks ago from Minneapolis, where a sister, Mrs. Ralph Hudson, and two brothers reside.

W. A. Leonhardt, aged 60, whose real name the police say is P. H. G. Lines, was so severely injured about the head that hospital physicians fear he cannot survive. Two other men were injured, and who were booked at the police station as Patrick McGinn and Henry Jacobson, will recover. A fifth man, who was lying on his face asleep, was unhurt.

NO WARNING.  
Marcott, a tunnel laborer, was arrested late yesterday on a charge of disorderly conduct and was placed in the receiving cell at the city hall.

Men who were to be released in the morning. All were asleep on the floor, the door being attacked lying on their backs. No outcry was heard and nothing was known of the attack until the jailer went to put another man in the cell. He found Marcott standing over Johnson, whose face had been crushed in by Marcott's kicks. Marcott was locked in a padded cell and later was removed to the hospital on another floor of the city hall. Johnson died 10 minutes after he was taken to the hospital.

STORMS AND FLOOD

KANSAS VISITED BY HEAVIEST RAIN OF YEARS; CROPS ARE DAMAGED.

KANSAS CITY, Mo., June 23.—Scores were driven from their homes, whole wheat fields swept away, crops damaged and much livestock lost as a result of the heaviest rains in Kansas in years.

Drops of creeks and rivers in northern Kansas have put their banks and flooded the surrounding country. In the vicinity of Fort Scott, 14 inches of rain was recorded in 24 hours.

precipitation amounted to nine and three-eighths inches.

Railroad traffic is demoralized. Many towns are isolated and it probably will be several days before normal railway service is resumed.

There was practically no service yesterday on the Atchison, Topeka and Santa Fe, the Union Pacific, the Chicago, Rock Island and Pacific and the Chicago, Burlington and Quincy railroads in the flooded districts.

TORNADO SWEEPS OHIO.  
COLUMBUS, O., June 23.—Various kinds of storms broke over central Ohio yesterday, injuring a score of persons and damaging thousands of dollars' worth of property. Rain fell in some sections, breaking a drought which had threatened growing crops.

A tornado passed through Shelby county, working havoc in its path and terrorizing the citizens of Quincy, a village of 800 population. Several buildings, including a church, were destroyed, and telephone and telegraph service demoralized.

Lightning set fire to two 200-barrel oil tanks near Newark. Many farm buildings, ignited by lightning, also were reported burned.

BIPLANE FALLS, TWO DIE.  
ST. PETERSBURG, June 23.—A Russian military airplane, Lieutenant Boris Isakov, and a passenger were killed yesterday by the fall of a biplane.

# Billy Fitz Says, Says he:

The Royal Foo-Balls of Baseball are about as happy as the Royal Family on the fringes of Sunday. Whether they sit down, stand up, walk backwards, or run forward, they are going to lose, and they know it. All they can hope for is some favorable flip in the wheel of chance, some mistake on the part of the enemy, some sensible reading "this way out."

**PACIFIC COAST LEAGUE**

**No Names!**

"Pitch as good as

berlyon with baseball in the East. It has initiated salaries to an absurd degree; created an independence and unrest among baseball players generally; agitates the minds of players, public and managers of the game itself, and directed attention to the financial status of the sport too prominently for its own good. The result is that the public is being educated to the fact that baseball is no longer a sport; it is just a business, the avowed object of which is to "get the money."

The more the commercial side of base-

Said the manager  
man,  
To the twirler,  
Whose job was to  
shy 'em.  
"At slamming the  
pill  
We're a counter-  
feit bill

is going to become from the standpoint of public support. It is admitted that that situation is at Eastern games or the three leagues has not equaled what two leagues enjoyed last year and the year before. The American and National leagues leading through by crook or by crook, but the Federals have cut into the American Association and the International League so severely that the big roar is going up.

The major leagues are going to have to come to the support of the Class A clubs owners, and that has produced all the

But if you shut 'em out

We will tie 'em."

No games played yesterday.

**GAMES TODAY.**

**STANDING OF THE CLUBS.**

(Showing result of play, team against

think about a third major league. This means really a fourth major, for sooner or later the Federal League will fold. Naturally, if the Pacific Coast League is stayed off now it will be a long time before they permit us to enter as a fifth major league, wherefore the coast will not consent to permit the majors to eliminate the other two Class AA leagues without boosting us at the same time.

Jack Dunne, manager of the Baltimore International Club, said that his club will desert the league unless some thing is done. It looks like a revolution in baseball is inevitable.

The marquis sings

I care not for those Federal guys,  
I care not for their bull and lies;  
They'll never grow to major size  
(team.)

CLUES.

## Tobacco That is Good For Your Nerves

**T**UXEDO actually *soothes* the nerves. It is just mild enough to keep your nervous system in poise, your muscles in tone. Unlike other tobaccos, Tuxedo *burns cool and slow*. There cannot be a speck of irritation in a pound of Tuxedo.

Great singers smoke Luxedo just before a performance. Public speakers testify as to its soothing influence. Doctors recommend it to smokers whose throats are delicate.

# Tuxedo

*The Perfect Tobacco for Pipe and Cigarette*

The secret of its superiority is the unique "Tuxedo Process" by which all the unpleasant features are eliminated from tobacco.

Another reason is that Tuxedo is made from the *best tobacco grown*—the choicest, mildest, mellowest leaves of the highest grade Burley tobacco.

Tuxedo is widely imitated—but no other manufacturer has succeeded in making a tobacco as good as Tuxedo.

today and get a tin of Tuxedo. It will give you the greatest pleasure and satisfaction that money will buy.

**LEGAL NOTICE**  
**NOTICE OF APPLICATION**  
**CHANGE OF NAME**

In the Superior Court of the State of California, in and for the County of San Mateo.

To the effect of the application of **SAN FRANCISCO OAKLAND TERMINAL RAILWAY**, a corporation, for change of name to **THE CALIFORNIA RAILWAY COMPANY**, to the Superior Court of the State of California, in and for the County of San Mateo.

No. 48067. Dept. 1.

Upon reading the verified petition of San Francisco-Oakland Terminal Railway filed in the above entitled court on the 26th day of May, 1914, praying for a Certificate of Change of Name, I, the undersigned, Clerk of said Court, do hereby certify that the same has been duly filed for record in the office of the Clerk of said Court.

RAILWAYS COMPANY, which said verified petition is in the following words, to-wit:

In the matter of the application of SAN FRANCISCO - OAKLAND TERMINAL RAILWAYS, a corporation, for change of

COMPANY, San Francisco - Oakland  
Terminal Railway, petitioner.  
No. 43687. Dept. 1.

The petition of San Francisco-Oakland  
Terminal Railway respectfully shows:-  
That the petitioner is a private corporation  
incorporated under the laws of the  
State of California, its principal office being at  
March 1912, and that it originally filed  
its Articles of Incorporation in the office  
of the Clerk of the County of Alameda,  
State of California, on March 1912.

That the present name of said corporation was the twenty-third day of March, 1912 filed with the Secretary of State of the State of California; that said corporation is located and has its principal place of business in the County of Oakland, County of Alameda, State of California; that the principal part of the property of petitioner is situated in said County of Alameda, State of California.

That the present name of petitioner is SAN FRANCISCO-OAKLAND TERMINAL RAILWAYS and that your petitioner desires to take and assume another name which it proposes to take and assume is THE CALIFORNIA RAILWAYS.

That the grounds of this application for such change of name are as follows, to-wit: The present name is cumbersome and inconvenient in being a hyphenated combination of the names of two cities and suggests the transaction of petitioner's business as between San Francisco and Oakland only, whereas petitioner is engaged and operates its business in all parts throughout the County of Alameda and the County of Contra Costa; the proposed name would better suit because petitioner intends to conduct its business in various counties of the State of California.

That this petition has been authorized by resolution passed by a majority vote of the Board of Directors and presented to in writing by stockholders representing three-fourths of the subscribed capital stock of said corporation, and that the directors of said corporation, petitioner herein, is sever, and that a majority of the stockholders to-wit: Five have authorized and made and caused to be made this application and have signed the same.

That the name proposed to be used by petitioner will not incorporate the name of any corporation organized under the laws of this State, nor the name of any other State and doing business within this State, and said name does not so closely resemble any name of any existing corporation as will tend to deceive.

Wherefore, petitioner prays that this Court do hereby grant the relief sought and place for the hearing of this application and providing for the publication of notice of said petition and of hearing thereon, that the said petition be granted, changed to THE CALIFORNIA RAILWAYS, and that the name SAN FRANCISCO-OAKLAND TERMINAL RAILWAYS TO THE CALIFORNIA RAILWAYS COMPANY.

W. H. SMITH, GEO. W. MORDECAI,  
Attorneys for Petitioner.

By W. A. BISSELL, President,  
F. R. WHIPPLE,  
F. W. BROFFCK,  
Witness.

W. H. SMITH, GEO. W. MORDECAI,  
Attorneys for Petitioner.

It is hereby ordered that the said petition be heard at a public hearing on the 25th day of June, 1914, at 10 o'clock of the clock A. M. of said day, at the courtroom of this Court, Department Number 1 thereof, in the Court House situated on Broadway, between the Fifth and Sixth streets, in the City of Oakland, County of Alameda, State of California, and that all persons

and the above entitled court at said time and place to show cause, if any they have, why the said petition should not be granted.

granted or to show to the court any objections or good reason against such change of venue.

And it is further ordered, that a copy of this order be published for four consecutive weeks prior to the date set for the hearing of said petition in the Oakland Tribune newspaper, a newspaper of circulation printed in the City of Oakland, County of Alameda, State of California, and in the place of publication of said petition 14 days.

Dated this 26th day of May, 1914.

T. W. HARRIS,  
Judge of the Superior Court.

**NOTICE OF TIME SET FOR PROVING WILL, ETC.**

In the Superior Court of the County of Alameda, State of California.

Notice is hereby given to the estate of Nancy M. Lincoln, deceased.

Notice of time set for proving will, etc.

Notice is hereby given that a petition for the probate of the will of Nancy M. Lincoln, deceased, and for the appointment of Florence Adelaide James of letters testamentary thereon has been filed in this Court, and that the hearing of said petition is set for the 25th day of June, A. D. 1914 at 10 o'clock A. M. of said day, at the Courtroom of Department No. 4 of said Court, at the Court House in this City of Oakland, in said County of Alameda, has been set for the hearing of said petition and proving said will, when and where any person interested may appear and contest the same.

Dated: June 10, 1914.

EDWARD I. LYNCH, Attorney for Petitioner.

At the first general session of the  
sixty-fifth annual convention of the  
American Medical Association here  
today, Dr. Victor C. Vaughan was in-  
stalled as president of the association,  
succeeding Dr. John A. Witherspoon  
of Nashville, Tenn.

Dr. Vaughan made "The Service of  
Medicine to Civilization" the subject  
of his inaugural address.

"In the last century the average of  
human life has been increased by 15  
years, and this increase could be du-  
plicated in the next 20 years," he  
said, "if facts were now possessed were  
scientifically employed."

"The further developments of medi-  
cine, both curative and preventive,  
depend on scientific investigations.  
The public is the beneficiary and  
should in every way encourage medi-  
cal research."

**NATION OF FUTURE**  
States should sustain and promote  
scientific research. That government  
is the best which secures for its citi-  
zens the greatest freedom from dis-  
ease, the highest degree of health  
and the longest life, and that people  
which most fully secures the enjoy-  
ment of these blessings will dominate  
the world.

"We boast of a great civilization,  
but this is justified only on the basis  
of the history of the future will  
be that of the twentieth century  
will be but slightly removed from bar-  
barism, as he will still be the school  
salaries and the capitalist work his  
employees under conditions which pre-  
clude soundness of body; that the  
labor union man dynamited build-  
ings; that while we sent missionaries  
to convert the heathens and the Bud-  
dhist, 10,000,000 were annually  
annually in our midst, and that a  
large percentage of our mortality was  
due to preventable disease."

**BOARD OF SUPERVISORS**  
MEETING MONDAY, JUNE 23, 1914.  
The Board of Supervisors met at 10 o'clock  
and the following were present:  
Superintendents Kelly, Murphy, and  
McCrady. Also present were Messrs.  
McCrady, Murphy, and Kelly.  
On motion of Supervisor Murphy, secon-  
ded by Supervisor Bridge, the reading of  
the minutes of the last meeting was  
ordered and the same were approved and  
entered in the minute book, without altera-  
tion.

**REPORTS OF COUNTY AND TOWN-  
SHIP OFFICERS.**  
The following reports were received  
and ordered filed:  
F. H. Davidson, Steward, Mendocino  
Hospital—Report for May, 1914.  
Dr. J. P. Maher, Supt. Dental In-  
firmaries—Report for April and May, 1914.

**APPLICATIONS FOR RELIEF.**  
The following applications for relief  
were received and referred to the  
Bureau of Investigation:  
Margaret Dougherty, aged 51, 2107  
Independence street, Oakland.  
Gustav E. Jones, aged 38, Holly street  
and 59th avenue, Oakland.  
Ellen Kelly, aged 71, 2228 Duena Vista  
avenue, Alameda.

**EXHIBIT OF PUBLICATION.**  
The following affidavit of publication  
was received and ordered filed:  
Affidavit of J. C. Lavin, San Lorenzo Junc-  
tion.

**REQUISITIONS.**  
The following requisitions were granted:  
F. L. McCrady, tender Webster Street  
Bridge—Supplies.

## 'JUPITER JUMPS' AT IDORA PARK

Musical Comedy Revived Under the Glow of Hartman Smile.

**CAST OF CHARACTERS.**  
Professor Jupiter Goodville . . . . . Ferris Hartman  
Robert Winthrop . . . . . Patsy Noon  
Major Felix Buchanan . . . . . Glen Chamberlain  
Toby Pebleford . . . . . Harry Pollard  
Selling . . . . . Zella Cunningham  
Connie Curtis . . . . . Edna Winwell  
Genevieve Buchanan . . . . . Rose Pomeroy  
Elsie Buchanan . . . . . Jeanie Mai  
Caroline Goodville . . . . . Josie Hart  
Mrs. Anastasia Kidd . . . . . Alice McComb

musical comedy of five years back. Custom may stale, but age cannot wither its restricted variety. It bobs up fresh as a new-born daisy when rivals and amusement parks lead it from under cover.

There is as much to laugh with in the "Jumping Jupiter" that saw the light of calcium at Idora Park, last night, as there was when Richard Carle endeavored to repeat the success of "Mary's Lamb" and a host of other musical comedies.

To be sure, Carle was not on hand at Idora last night, but Ferris Hartman was, which is one reason why Jupiter jumps blithely on his way over the footlights and into an atmosphere clogged with giggles and appreciation.

Hartman is a habit with Oakland, but not so much so that one falls into a rut while associating with his methods of comedy. His recurrent appearances are so gauged as to find you waiting for them. Hence there's a welcome on the doormat and a seat at the table for Jumping Jupiter Hartman or whatever other given name he holds upon himself.

Hartman as Professor Jupiter Goodville dispenses fun that is neither fast nor furious, but ample for all purposes. With Myrtle Dingwall by his side he gambols through two acts of what is accepted as merriment by those who frequent halls of learning and musical comedies. Which is to say, by those who run and read.

Miss Dingwall, in a purple robe, smiles and sings and smiles again; displays purple sheen and a purple idea of what a comic opera model should be, and adds more than the limits she is to the success of the thing. Alice McComb does Mrs. Anastasia Kidd and does her capably. The remainder of the principals fall in behind these three with a right good will.

The production compares well with the musical comedy layout that comes out of the East, every little while. Chorus girls are fair, costuming attractive and musical arrangement splendid.

With Hartman, the Hartman smile and the Hartman frolic—what more do you want?

## MILLER'S PLANS ARE ACCEPTED

Oaklander to Build State Highway Between Martinez and Bay Point.

Martinez, June 23.—The Supervisors of Contra Costa have accepted the plans of M. K. Miller of Oakland for the construction of a road from Martinez to Bay Point, a distance of four miles. The plan calls for an expenditure of \$100,000 and the road will be an important link in the highway between Oakland, Richmond, Martinez, Antioch and Stockton. The plans must be sent to Washington for approval, as the projected road crosses Pacheco slough, a navigable stream.

Monterey, June 23.—Members of the Los Angeles Motor Club, on their second annual pleasure tour, rode into Monterey at 1 o'clock yesterday, cutting out the high Sierra. They made the town one day ahead of schedule. The party, fourteen in number, left Los Angeles June 14, taking the route north through the center of the State in Fresno, crossing to the coast by Pacheco Pass, and on by San Juan Batista to Monterey and Santa Cruz, seeing the Big Basin and the State Redwood Park.

Leaving today the club will follow the coast a way, then on to Kings City and San Luis Obispo, touching the coast line again at Santa Barbara.

Palo Alto, June 23.—Archbishop Florenz presided at the commencement exercises held at St. Patrick's Seminary in Menlo Park yesterday morning. The program consisted of the reading of "The Merchant of Venice," and the distribution of premiums to those who had excelled in their studies. The play was staged beneath the oak trees on the grounds of the seminary. The audience for the exercises was comprised for the most part of priests from the bay region.

Sacramento, June 23.—The report of a \$2,500,000 inheritance tax upon the estate of the late John R. Hawley, who died in San Diego in 1913, has been received by State Controller Chambers. The estate which was valued at \$2,500,000 with the exception of \$100,000 to the Charles Industrial Farm of New York was left to the widow and children.

Fresno, June 23.—The motorcyclist killed Sunday night on the State Highway, seven miles northeast of this city, was identified today as Joseph Leroy Jackson, 17 years, known as Ray Jackson, and a brother of Earl Jackson, an automobile racer. At the moment it was brought out that young Jackson was driving at a reckless speed.

Stockton, June 23.—What is perhaps the second field of onions in the islands this season has been made on the Pinedale land and on the Pinedale tract in the delta country by a Japanese tenant. The Japanese had one and one-half acres planted in early onions this year, and succeeded in pulling 810 bags from the plot, selling all of them at an average of \$1.55 per sack. This means a yield of 810 sacks to the acre, bringing the gross \$256 to the acre, or \$1,488.50 for the entire plot.

Orinda, June 23.—Early estimates of the raisin crop, which placed the output of the Alameda and Contra Costa counties at 55,000 tons, have been found too low by at least 15,000 tons according to officials of the packing companies, who have completed a careful estimate. In fact, the fact that this will be at least 12,000 tons more than a normal crop, as all of the 1913 raisins have been cleaned up, high prices are anticipated.

Santa Rosa, June 23.—A search covering thirty-one States and 134 of the principal cities of the country has been made when an attempt was made to locate the mother of the late Mrs. Hartman of San Francisco. It was for Mrs. Hartman that the search originally began, as she had been left an estate valued at \$100,000. The search was made by the firm of the late Mrs. Hartman, who was the mother of the late Mrs. Hartman.

## SALVATIONISTS IN FESTIVE SERVICE

Hold All Day Demonstration of Praise in London's Famous Crystal Palace.

LONDON, June 23.—An all-day "Festival of Praise" at the famous Crystal Palace marked the climax today of the International Congress of the Salvation Army which has been in session in London since June 11. Participating in this most spectacular demonstration in the army's history were 2100 foreign delegates, many of them attired in their native costumes, and some 18,000 delegates and visiting Salvationists from all parts of the British Isles. From 8 o'clock in the morning there was a continuous succession of meetings within the huge glass and steel structure and in the big park surrounding—46 events in all, and conducted in 34

RECEPTION TO BOOTHES.

The two principal events of the day were the reception to General and Mrs. Booth in the great transept of the Palace at 10 a. m., and the review of the army by the general and his staff at 5 p. m. In the football grounds, one of the most picturesque features was the very morning unfolding of the flags of the various nations represented in the Congress, from staffs especially erected for the purpose.

As each standard was broken out by chosen delegates the national anthem of each standard the country represented was played, and at the conclusion of the ceremony the first-starred banner of the army itself floated out above the others, to the tune of "Onward Christian Soldiers." A special escort of six delegates from each country, carrying flags, conducted General and Mrs. Booth into the transept for the reception service. When they reached the platform the general was presented with addresses by the 25 territorial commanders in attendance upon the Congress.

MASSED ORCHESTRA AND CHORUS.

During the meeting, which was conducted with a stirring address by the general, the music was rendered by a massive orchestra, composed of the International Staff Band, and the Salvation bands from New York, Chicago and Toronto, and a chorus of 4000 voices.

Fully 20,000 Salvationists, eight abreast, marched past the general in the grand review, to the music of 2000 banisters, and before an audience of more than 15,000 which packed the football stands and overflowed into the grounds. The day's events will end at 8 tonight with another general meeting in the transept, to be addressed by leading foreign delegates, and a "farewell charge" by General Booth.

The Congress is to close next Friday evening with a public service in the Royal Albert Hall, after which 200 especially chosen foreign delegates will make a ten days' tour of the provinces demonstrating various phases of Salvation Army work.

## RECEIVES MEMBERS OF SONS OF REVOLUTION

TRENTON, N. J., June 23.—Governor Fielder and Adjutant General W. F. Sadler today received the three Massachusetts members of the Sons of the American Revolution who are making the trip to Cambridge over the same route taken by General George Washington 139 years ago. With appropriate ceremonies a tablet commemorating of Washington's stop here will be unveiled tomorrow at St. Michael's church. The party goes from here to Princeton where the members will be received by President John G. Hibben of the university. Tablets will be unveiled at the following stops along the route: New Brunswick, the Mammoth battlefield, Rahway, Elizabethtown, Newark, Morristown, and Jersey City in New Jersey; New Rochelle, Bridgeport, New Haven, Waterbury and Hartford in Connecticut; Springfield, Brookfield, Worcester, Cambridge and Boston in Massachusetts.

## MEETS LONG LOST FRIEND IN ACCIDENT

SAN FRANCISCO, June 23.—P. S. Watts of Shreveport, motoring north alone along the San Mateo county road last evening, came into collision with a machine driven by G. B. Cheney, a local real estate man, also alone.

Neither was hurt. When the two picked themselves up they recognized each other as old friends who had not met for five years.

## A Message to Thin, Weak, Scrawny Folks

Thin, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good, nourishing food." The reason is just this: You cannot get fat, no matter how much you eat, unless your digestive organs assimilate the fat-making elements of your food instead of passing them out through the body as waste.

What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they may reach the starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge eager and hungry for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to use Sargol, the recently discovered regenerative force that is recommended so highly by physicians here and abroad. Take a little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm, healthy flesh are deposited over your body, covering each bony angle and projecting point. Osgood Bros. drug store and other good druggists have Sargol, or can get it from their wholesaler, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each package. As it is inexpensive, easy to take and highly efficient.

Caution:—While Sargol has produced remarkable results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken unless you are willing to gain ten pounds or more, for it is a wonderful flesh-builder.
